# Weddings to Remember, Unions Forever

*"My heart was split, and a flower  
appeared; and grace sprang up;  
and it bore fruit for my God.  
You split me, tore my heart  
open, filled me with love.  
You poured your spirit into me,  
I knew you as I know myself."*

From the Odes of Solomon

As you enter the journey of relationship, do so consciously, lovingly, equally, and beautifully.

Sacred You! Ministry offers both celebratory, non-denominational ceremonies, and ongoing couples support for the journey ahead.

## Wedding Ceremonies

Your wedding is a sacred joining of two souls in a partnership of peace, contentment and love. Sacred You! ministry offers a ceremony that embodies the spiritual essence of all faiths and provides a loving foundation for your life together. Our ceremony includes traditional wedding rituals such as exchanging of the vows and rings, and a candle ceremony. It is also unique in many ways. We encourage your involvement in personalizing the ceremony by adding your own vows, verses, poems and readings. This day is about celebrating the sacred in both of you in this divine union. We will support you in creating a meaningful and joyous ceremony.

## Couples Support

Loving consciously and living skillfully brings the committed relationship to ever new levels of joy and intimacy. Sacred You! ministry offers private counseling where you and your partner learn and practice communication and relationship skills. This program encourages deeper understanding of one another. You and your partner will explore and strengthen your commitment, values, and ability to handle life's challenges. Together you will develop spiritual principles that provide a foundation for a strong and rewarding relationship.

Both as preparation for your new life together as a couple, and to enrich your marriage through the years, our program offers opportunities to strengthen and deepen your relationship and the joy of loving one another.
